# *Get Better Video with Your iPad and iPhone!*

**November 7 & 14, 2022  
1 - 3 p.m. in the Video Lab  
(between Clubhouse 2 and the  
pool)**

Did you know there is a way to manually set the focus and exposure on your device or that there are many ways to snap a picture? Get the most out of your iPhone and iPad using all the hidden features, useful tools, and apps.

This two session class includes an overview of the camera and settings as well as its hidden features, basics of shooting video, composition, how to organize your photos and video, Apple's useful tools (air drop, screen recording, markup), accessories for shooting video, and apps for editing and producing videos.
